SPECIAL FEATURE:

In keeping with the theme of "Route 66 - The Mother Road," car clubs, private owners and car dealers will show off their vintage, not so vintage, and brand new automobiles from 6:30 to 7:30 each evening. Come and revisit the cars that traveled Route 66 in its heyday, see the new offerings that have assumed their rightful places in the automotive pecking order, and have your picture taken while you build memories and share the nostalgia of yesteryear.
